Welcome to Marple Newtown School District's fourth annual BAND-A-RAMA.

We are proud of the musical effort and accomplishment of our own Senior High School Band, and we look forward to the musical thrill of hearing additional outstanding secondary school bands, as they participate in the stimulating, spectacle of BAND-A-RAMA competition.

The success of BAND-A-RAMA is due in great measure to the dedicated activities of the Marple Newtown Band Association, the Senior High School Band, our own staff members, and the citizens and businessmen and women of our community who generously provide their financial support.

The German novelist, Berthold Auerbach wrote, "Music washes away from the soul the dust of every-day life." Our every-day lives are greatly enriched by the hard work, precision and musical excellence of the high school bands which we will watch perform. I am happy to share with you the pride and pleasure of this masterful musical experience.

WELCOME,

On behalf of the student body and the staff of the Marple Newtown Senior High School, may I extend greetings and best wishes.

Robert Louis Stevenson wrote, "The world is so full of a number of things, I'm sure we should all be happy as kings." Tonight for but a brief moment in our lives we shall "be happy as kings," for we will hear one of man's priceless possessions—his music. Such is the awesome powers these musicians hold—the power to exhilarate, to soothe, to reaffirm, and to strengthen.

I also extend special appreciation to the officers and parents of the Marple Newtown Senior High School Band Association. Their involvement and dedication is exceptional and laudable.

Once again, welcome to BAND-A-RAMA-1973.

Sincerely,

William C. Capriotti

FRANKLIN R. MORRISON
President

To Our Guests and Visitors:

The Marple Newtown High School Band Association bids you "WELCOME," and thanks you for attending our Fourth Annual Calvacade of Bands Competition, "BAND-A-RAMA-1973." We have endeavored to present on "Harry Harvey Field," some of the best marching bands in our area. All units exhibiting their skills tonight have been "First Place" winners in other competitions throughout the area, so you will really be seeing Championship performances, as you watch tonight's spectacular.

Preparation for the Calvacade of Bands Competition has traditionally signalled the start of another year of our Band Association's activities. So it seems only natural for us to want to make this evening's exhibition the best ever. Much prayer and hard work has gone into this program and we know that you will feel as excited in watching it now as we were in preparing the show. It is a great inspiration for all of us to see so much of their God given talent shown on the field tonight by these young musicians. The Band Association wishes success to each participant.

A special note of thanks to the parents and friends of the Marple Newtown High School Band, who supported us in presenting this competition. We hope they will continue to encourage us as we plan future exciting events.

Very truly yours,

FRANKLIN R. MORRISON
President

Chairman

Speaking on behalf of all the members of the Marple-Newtown Senior High Band Association may I welcome you to our Fourth Annual Band-A-Rama.

We are fortunate to have some of the finest area High School bands here this evening in competition to provide you with a thrilling evening of musical entertainment, field show maneuvers, and band front skills. Welcome to the students and the schools they represent, their directors and chaperones as they participate in our Band-a-Rama this year.

Tonight's Band-a-Rama could not have been presented without the diligent effort put forth by all the Committee Chairmen and their Committee members who have worked so hard in preparing this evening's show. To each and everyone of you may I say, "Thank You."

I would also like to thank the Cheerleaders and Alumni who are working with us this evening, and a special thanks to those people who are not members of our Association but without whose support and help Band-a-Rama would not be possible. A 'thank you' also goes to the many businessmen of the community, Boosters and Patrons who helped us present the Program Booklet to you tonight.

The members of the Marple-Newtown Senior High School Band, host band for this evening, have worked untiringly to present the 1973 edition of Band-a-Rama to you. As they perform for you this evening you will have an opportunity to see and hear the talent of some of the finest young adults ever assembled. Our community is proud of their musical achievements and honored by their outstanding conduct as they represent the Marple-Newtown area in competition.

In closing, in behalf of the Band Association I would like to wish the Marple-Newtown Band a very successful year ahead. We thank you for coming.

THE NETHER PROVIDENCE HIGH SCHOOL MARCHING BAND

NETHER PROVIDENCE HIGH SCHOOL

WALLINGFORD, PENNSYLVANIA

The Nether Providence High School Marching Band includes 80 playing members, and 39 Band Front members, for a total of 119 members on the field.

At last year's "Delaware County Marching Band Festival" at Widener College, the Band Front was awarded three "First Place Trophies" in their division.

This year's show features a new style of marching for the NPHS Marching Band, with the change from the traditional high chop step to the smoothe stride step.

Tonight's show, a review of our historical heritage, with the playing of "Tattoo," and Sir William Walton's "Crown Imperial March," incorporates the British Sound. The "Bicentennial Parade March," and related formation suggest a theme for our Bicentennial exhibition in 1976. Finally, the playing of the "Battle Hymn" moves to the grand exit march, "This Is My Country."

The Marching Knights of Bishop Kenrick High School, Norristown, under the direction of Sister Rose Madelaine; Mr. Anthony Ferraiola, Drill Master, and Mr. Richard T. Genovese, Band Director, is one of the finest marching units of the Philadelphia Metropolitan area. Eighty band members, 48 drill-team girls, 15 flash flag bearers, 8 color guards, and our newest addition, a twirling corps of 7 girls are under the capable Drum Major, John Parker.

This unit has justly won its accolade through a long list of accomplishments. Highlights include the New York St. Patrick's Day Parade, Lansdale's Mardi Gras Parade, Welcome to our POW, half-time shows at all football games, and, last but not least, the half-time show for the Montgomery County All Star Classic Game.

You will now see the culmination of several months of diligent practice in the presentation of this musical show. In the opening Olympic fanfare, "Buglers Dream," the drill-team carries flags that represent a panorama of nations. Continuing along the musical time-line comes classics of the past: "1812 Overture," "St. Louis Blues" and "Thank You Very Much," reaching the climax in the breathtaking color presentation of the huge American flag.

Like their athletic counterparts on the football field, the "Marching Knights" will tackle the busy months ahead with ambition, precision, and spirit.

SCORING:

Total possible score is 100 points, with 10 judges.

Composed of 55 points allotted to Music and 45 points allotted on Marching and Maneuvering. You can immediately see where the emphasis is—on music.

Total scoring system is composed of the following Judges on the field and in the stands or pressbox.

JUDGES:

- 2 on "MARCHING and MANEUVERING," using a negative point system, starting with 20 points they will look for errors in interval, distance, cover, dress, breaks, turns, equipment handling, etc. Each error is recorded on the sheet, by the use of a "tick mark," representing 1/10 of a point.

- 2 on "MUSIC," starting with 25 points, and using the same negative "tick mark" system. They are listening for errors in attacks, articulation, releases, intonation, rhythmic accuracy, tonal accuracy and quality, etc.

The scores of the above Judges, who are on the field are calculated by the Tabulator Judge and averaged out.

- 4 Judges, as follows, will be in the pressbox or stands.

- 2 Judges on GENERAL EFFECT MARCHING and MANEUVERING. They will be scoring from a positive viewpoint. Judges will be expressing their opinion, as to how the show effects them relative to the other bands in the show. They are evaluating the overall performance, repertoire, band front coordination and showmanship. They will have 25 points with which to work. They will be using tape recorders at this time.

- 2 Judges on GENERAL EFFECT MUSIC, also scoring in a positive standpoint, and working with a maximum of 35 points. They will be expressing their opinion relative to the other bands, an evaluation of the band's performance in the areas of repertoire, difficulty of music, quality of performance, and expression of showmanship. Within these categories they will be giving evaluations on arrangements, musical demands, effectiveness, difficulty, purity of tone, melodic and harmonic balance, phrasing and many other elements.

Again, the scores assigned are then averaged by the tabulator. Then both score of the General Effect and Execution are added together to give the total gross score.

The TIMING Judge, on the field, is watching for procedural violations. Each piece of equipment dropped is a penalty of 1/10 of a point.

Each Band must be on the field for a minimum of 10 minutes, of which 6 minutes, they must be in motion. There is a modified American Flag code that must be adhered to.

TROPHIES:

Class A Bands: 1st, 2nd, and 3rd place winners.

“FALCON” BAND RESUME

The 1973-1974 “Falcon” Band consists of ninety instrumentalists in addition to twenty-five girls in the Majorette and Twirling Squads and fifty girls comprising the Color Guard Squad. Total Band and Band Front membership is one hundred sixty-five members. Band colors are Navy Blue and Powder Blue with blends of white and silver trim.

During the course of six competitive seasons the Unit has filled the “equivalent” of four trophy cases beyond the point of capacity. The Band won the first trophy ever for Salisbury High School in 1965 for 1st place in the Lehigh County Championship.

Mr. John A. Ferraro is the director of the Band and Marching Units and serves as the district’s Music Department Chairman. Mr. Robert Musser and his daughter “Kathy”, a Salisbury graduate, are the Color Guard Drill “Designers”. “Bob” and “Kathy” donate their time for the “good” of the youngsters and deserve a big “Thank You” from everyone.

most successful season!

The West Essex High School Marching Band—long known as the “Pride of West Essex”, has been the proud recipient of much praise and numerous honors. The Band’s many activities include participation in the Clifton Herald News Band Festival, an exhibition of some of the finest bands in North Jersey, in which West Essex has been selected to serve as the Host band for this year’s festival.

Additional activities include Cotton Bowl, Dallas, Texas; Cherry Blossom Festival, Washington, D.C.; Shenandoah Apple Blossom; local competitions; and their own annual West Essex Marching Band Competition.

In preparation for each marching season, the entire band attends an eight-day camp sponsored and organized by the school itself. Concert Band, as well as the Marching Band is strongly emphasized as each student auditions for placement within the band.

West Essex is honored to appear in Marple Newtown, and with the greatest pride we display our 1973 Marching Band.
